

Get the most out of
your bike in Circular
Mode 

Circular mode

No thanks

In Circular Mode, we support you in keeping your bike in best shape and getting the most out of it by predictive service notifications, offers for refurbishing or reselling and the option to share your bike with other users.

Refurbish and resell offers

Enable sharing

Refurbish and resell offers

- ✓ We notify you when refurbishments are available
- ✓ We check once in a while if you actually use your bike
- ✓ Based on that, we support you to return it to the cycle

GOT IT!

CIRCULAR MODE

This helps you to keep your bike always in it's best shape
